

COPING WITH 'THE NEW NORMAL'

As lockdown is gradually eased, we all need to adjust to 'the new normal' and inside this leaflet you can find details of

how and where to get help

from reliably recruited volunteers of various local organisations who are dedicated to helping people in the Maldon District community.

GOING OUT: take the first step with a buddy walker

Unsure about going out? Then a buddy walker volunteer can help. A buddy walker will come to your door and accompany you on a socially distanced walk at your own pace for up to half an hour. They can go with you to the local shops, to get a fish and chip supper, or simply take a turn around your garden so that you can get used to being out and about in company. All buddy walkers respect social distancing, have face coverings and follow good hygiene practices. To find out more call the helpline on **01621 851997**.

INTRODUCING THE SALTMARSH DELI

Following the COVID 19 crisis, a new initiative is being launched to encourage local consumers and businesses to buy local products and services, thereby supporting local jobs and building community spirit.

Within Maldon District and its surrounding area, there are a large number of high quality well known food & drink producers, many of whom have been significantly affected by the pandemic. The new initiative 'The Saltmarsh Deli' will deliver products from these local suppliers through an online virtual high street.

More information coming soon!
